Better Lives (Northants) Ltd has established a supported living property in Duston, Northampton. This property is close to local amenities such as bus stops, local shops and public houses. This is a large well-presented 5 Bed Detached property with open plan Kitchen/Dinning and Living area. Private Driveway and large enclosed garden to the rear.

Duston is situated approximately 2 miles to the west of Northampton Town Centre, just off the main road.

We offer a person-centred support package that covers housing management, maintaining tenancy, independent living skills, financial support and budgeting, support with personal care. We actively promote community connecting which increases social networking.

At Better Lives we pride ourselves on employing competent and skilled staff, ensuring full training and qualifications are provided. An intense induction process is implemented, this allows the company to install core values and Company ethos throughout our Team.

Better Lives vision is to maintain excellent support at the heart of a thriving local community where individuals can choose and tailor the services, they need to enjoy healthy, engaging and independent lives regardless of disabilities or boundaries. Placements will be assessed and accepted based on customers' needs and requirements and have an all-encompassing provision that meets multiple needs of the individuals we support.
